

ONLINE BANKING

How to get started with Online Banking at HS Bank

Online banking gives you convenient and easy access to your accounts – 24 hours a day. And it's easy to get started. Here's how:

- Visit www.hastingsstatebank.com and click on "Online Banking"
- Click on "First Time User"
- Read and accept the terms
- Fill in the First Time User information:
 - First name
 - Last name
 - Email address
 - Account number
 - Account type (checking, savings, etc.)
 - Security questions (We may ask you on the phone to verify)
 - Security answer
 - Bill payment enrollment flag (not available for business accounts)
 - Password (should be the last four digits of your Social Security number OR your Telebank PIN number)
- Submit.
- "Password Change" screen will appear.
- Enter your current four-digit password and a NEW eight-digit password (which must include at least two letters and two numbers). Enter the new password twice to verify. (Keep this new password written down and in a safe place!)
- Submit.
- When the next screen appears, enter your email address twice to verify.
- An authentication image will appear
- Under the image, type in the image for the authentication pass phrase. (You should always see the same image and pass phrase when logging in.)
- Answer the three challenge questions.
- Mark if "Personal" or "Public" computer to register or not register. If the computer is registered, the site will not ask you the challenge questions in the future.

CONGRATULATIONS! YOU'RE NOW READY FOR HS BANK ONLINE BANKING!
ENJOY THE CONVENIENCE!
